

American Association of Tissue Banks®

February 9, 2016

Mr. Marc Pablo, CEBT, CTBS  
Sr. Vice President and Director of Q.A.  
California Transplant Services  
5845 Owens Avenue  
Carlsbad, CA 92008

Dear Mr. Pablo:

This letter serves to confirm the accreditation extension for California Transplant Services. California Transplant Services will have continued AATB accreditation until April 30, 2016, as all requirements and timelines have been met during the re-accreditation process.

This letter also serves to confirm that it is best practice to verify a tissue bank's current accreditation status by accessing the AATB website to perform a relevant, real-time, accredited tissue bank search by using the "Accredited Bank Search" function.

We appreciate your participation in this important program of the Association. If you have any questions or need additional information, please feel free to contact me.

Sincerely,

A handwritten signature in black ink, appearing to read 'Jason E. LoVerdi', is written over a light blue horizontal line.
