Dear Mr. Pablo:

This letter serves to confirm an accreditation extension for California Transplant Services, Inc. dba Safety Graft, which will have continued AATB accreditation until April 18, 2019.

This letter also serves to confirm that it is best practice to verify a tissue bank's current accreditation status by accessing the AATB website to perform a relevant, real-time, accredited tissue bank search by using the "Accredited Bank Search" function.

We appreciate your participation in this important program of the Association. If you have any questions or need additional information, please feel free to contact me.

Cordially,

A handwritten signature in black ink, appearing to read 'Valerie Cruz', is written over the typed name.
